

# If you want your legacy to help children

## Consider the Sacramento Children's Home in your planned giving:

- We have been helping the children of the Sacramento region since 1867
- We are known for our life changing programs
- We help over 3,600 children and 2,200 families each year through our Crisis Nurseries, Family Resource Centers, educational & residential programs
- **We are fiscally prudent and a well-respected member of the community**

## You can make a legacy gift to children and may well qualify for significant tax advantages by the following ways of giving:

- Name the Sacramento Children's Home in your will or trust: designate a percentage, an amount or a particular asset
- Establish a charitable gift annuity and receive a fixed income that is partially tax free
- Donate real estate and avoid capital gains tax
- Designate the Home as beneficiary on tax deferred accounts and avoid **double taxation**
- Contribute a life insurance policy no longer needed
- Create a charitable remainder annuity trust and secure a fixed life income
- Create a charitable lead trust and donate income from an asset for a period of time

*The Sacramento Children's Home cannot make any specific recommendation for your individual planned giving or refer you to a tax specialist. However, we encourage you to share this overview with your financial advisor to find out what options best fit your financial situation and meets your philanthropic desire.*

*For your convenience, our Federal Tax Identification number is 94-1156588.*
