

Fill A Backpack

Help a Child Succeed

At the Sacramento Children's Home, we know that a bright future begins with a good education. Unfortunately, many of the children we serve lack resources for proper supplies. For children in need, something as simple as a new backpack can boost their confidence and self-esteem, and set them on a path to success.

Donate new backpacks filled with school supplies to the Sacramento Children's Home!

Whether you would like to shop online or in person and deliver your items, we have options to make participating easy for all. If you like to shop online, we have created shopping lists at Amazon, Target, and Walmart. You're also welcome to deliver your donation in person. Visit our website www.kidshome.org/fill-a-backpack-drive/ for drop-off information, and links to our registries with our shipping address. While we would appreciate if each donation contained a backpack full of all items a student needs, we also welcome smaller donations. Here are shopping lists based on our programs' needs:
