Fill A Backpack Help a Child Succeed

At the **Sacramento Children's Home**, we know that a bright future begins with a good education. Unfortunately, many of the children we serve lack resources for proper supplies. For children in need, something as simple as a new backpack can boost their confidence and self-esteem, and set them on a path to success.

Donate new backpacks filled with school supplies to the Sacramento Children's Home!

Due to COVID-19, and in support of no-contact deliveries, we are asking donors to purchase their items online and have them shipped to SCH. To support this effort, we have created registries at Amazon, Target, and Walmart. Please visit our website at www.kidshome.org/fill-a-backpack-drive/ for further information and links to our registries. Whether you shop at one of our registries or at a store of your choosing, we have created the following shopping lists for your reference:
