Dear Community Partner,

We are excited to invite you to partner with Sacramento Children’s Home and PINC Sacramento as a sponsor of our annual Luxe for Life fundraiser, which will now be held live and virtually on Saturday, November 21, 2020 in a modified format to ensure the safety and well-being of our generous community of supporters.

We have worked diligently to modify our event to guarantee the safety and health of all participants while ensuring we are able to support the meaningful work of the SCH Crisis Nursery. With this in mind, we have decided to host a live virtual event, while ensuring we are still able to bring fun and festive parts of our event to you in your home such as optional meal delivery and our new “De-LUXE Kits.”

The mission of the Sacramento Children’s Home Crisis Nursery Program is to prevent child abuse and neglect by providing support to families in times of crisis. This is a family-strengthening program where parents can bring their children, newborn through age five, for emergency child care or overnight care during stressful or difficult times. These services are provided 365 days per year free of charge, so they are dependent upon the generosity of others. The ultimate goal of the program is to keep families together and reduce the number of young children that enter into the foster care system. Your generous sponsorship support will provide much needed funding that will allow this program to reach more local children and families in need.

Your sponsorship will help ensure the success of our event and allow the Crisis Nursery Program to further its mission. A complete list of sponsorship opportunities and benefits is attached. Thank you for your consideration, and we look forward to the opportunity to partner with you in giving Sacramento’s most vulnerable children and families a better tomorrow.

Sincerely,
